# Gram and Gramp Camp

## at Indian Village

For Grandparents of any age and Grandchildren age 8-14

### Share a special week with your Grand!

This day camp program is designed to provide an opportunity for grandparents and grandchildren to spend some quality, structured time together. Each day will be filled with a fun and exciting schedule. A few of the camp activities will be broken down into separate child and adult groups, but most activities will be combined to encourage interaction between the two generations. For the grandparent that prefers a less strenuous activity, a modified format or substitute activity may be available. Some grandparents may choose to assist staff with camp duties. All campers will be asked to bring copies of family photographs, family history and childhood stories to share with their "Grand". Some of these items will be used for scrapbooks and other "family unit" activities planned during the week.
